**PATRONS** of Payless Cleaners at the corner of Solano and San Francisco streets were distressed when they learned that the business was being sold. The manager, Mrs. Fearn, reports that they had not moved out of Albany and were to be within a short distance of the present location if they decide not to renew the lease.

**THAT SERIOUS** accident Feb. 17 at the dead end of Stannage Street prompted some question about the way Albany has been marked. Other streets, such as "Plaza," are marked "Not a Through Street" but they are. Stannage is marked the same way, but has a barricade at the end. Seems logical that the entrance to the 400 block of Stannage should be designated "Dead End." As you drive north on Stannage, it appears to go through the Plaza because the block is down in a dip.

**FORMER MAID OF ALBANY** Irene Baum had a thrill at the Greenwood Country Club Sunday, when she was called in as one of the professional models in the city's successful March of Dimes county-wide fashion show. William Silva, who showed elegant clothing for women, always uses professional models. One she had hired did not appear, so Irene was the substitute—and she was simply beautiful. Incidentally, one of the professional models was none other than Dorothy Villa, pretty wife of Joe Villa of Jay Vee Liquors.

**SPREADING** of fashion shows, Irene Hampton, who is fashion editor for the Oakland Tribune, volunteered to be commentator for the Albany show March 21. She is the foremost Bay Area authority on fashions plus being one of the nicest people in the parts. In addition, she is pretty, attractive and one of those people you feel you have known.

**CHARTER MOOSE OFFICERS** — Charter officers of Albany's new Moose lodge are pictured above. Seated, from left, Earl Smith, secretary; Bill Rhea, past governor; Bill Beller, governor; J. R. Hinshaw, junior governor, and Roger Henderson, prelate. Standing, Sid Hadsell, outer guard; W. H. Miller, trustee; Gerald D. Browne, trustee; Bob Miller, assistant sergeant at arms; Max Berry, sergeant at arms; Gordon Field, trustee; Dick Towers, treasurer; Preston Chapman, inner guard. The charter officers were appointed by State Director C. L. (Buck) Swan.

## Proclamation

WHEREAS, our engineers are engaged in such widely diversified fields as agriculture, communications, electricity, electronics, metallurgy, mining, sanitation, space research, transportation and other areas, and in the management of these activities; and

WHEREAS, the opportunities in these many fields of engineering are increasing, and there must be a continuing supply of young engineering and scientific manpower of high caliber to furnish the required skills; and

WHEREAS, the many contributions of our engineers to the security and welfare of our country are vital to our way of life, and the opportunities available to young people in the engineering profession should be recognized;

NOW, THEREFORE, I George C. Hein, Mayor of the City of Albany, do proclaim the week of Washington's Birthday, February 21-27, 1965, as "ENGINEERS' WEEK" in honor of the engineering profession and in recognition of its achievements.

## Little League Sponsors Are Needed

"Enclosed is our check for \$215 which covers the sponsoring of a boy on the Giants team and a cubs team.

"We are pleased to be in a position to enable us to contribute to such a worthy cause. We also wish to congratulate all the men and women who contribute so much of their time and efforts to this youth program."

This is a letter to Albany Little League from George Fiderio of Albany Tire Service at 742 San Pablo Ave.

For the first time, George is sponsoring both a boy and a team. Albany Lions club sponsors a team at a cost of \$200.

Mrs. Robert Luoma, ways and means chairman for Little League, is appealing for more sponsors. About 40 new sponsors will be needed this year, she said. A boy may be sponsored for \$15, but several may be sponsored by one firm (Jerome Blank Realty sponsors six).

For further information, call Mrs. Luoma at LA 6-1311.

## New Albany Moose Lodge Has 101 Charter Members

The Loyal Order of Moose was officially instituted in Albany Feb. 7 at Veterans Memorial building, where 101 charter members were initiated and officers installed by State Director C. L. (Buck) Swan.

Ritual ceremonies were conducted by officers of the Richmond Moose lodge.

Charter officers are shown in the accompanying picture.

Special awards were made to Bill Rhea and Bill Beller, who signed up 25 members each. Special recognition was given Glen Cornelius for signing 19 members. Special mention was accorded Emil Serb, who donated his dining room for preliminary Moose meetings for two months prior to the institution of the lodge.

The new chapter will meet at Maccabee Hall in Albany on the

first three Tuesday nights of each month. Meetings will begin at 8 p.m.

A membership drive with a goal of 200 members is planned. Social and civic activity is also on the agenda for Albany's newest organization.

## Flag Ceremonies Will Mark Two Holidays

A city-wide observance of the birthdays of Lincoln and Washington will include the presentation and raising of new American flags at the four recreation centers of Berkeley.

The first ceremony will take place Friday morning, Feb. 19, at 11 o'clock, around the flagpole at Live Oak Park, Shattuck and Berryman, with Oxford School pupils in attendance and Ian Lochhead, recreation supervisor, accepting the flag.

On Saturday, Feb. 20, there will be two ceremonies, the first at John Kenny Park, 8th and Virginia, at 1:30 p.m., with Gordon Vinther, recreation center director, accepting the flag. The second will be at Grove Center, Grove and Oregon, at 2:30 p.m., where William Hill, center director, will accept the flag.

Sunday afternoon, Feb. 21, there will be a program at 2 p.m. in the San Pablo Park Clubhouse, Park at Oregon. Frank Gabbert will preside and the University of California Naval ROTC will furnish the Color Guard. The Rev. W. H. Sybert of the McGee Avenue Baptist Church will give the invocation and Rabbi Saul J. Berman of Beth Israel will offer the benediction. Members of the Berkeley High School Speaking Bureau will bring tribute to Lincoln and Washington. Harriet Brown will speak on Lincoln; Barbara, Hume, on Washington. A clarinet duet by Tom Keithly and Dan Smith and trombone solo by Jeff Mertens are scheduled.

Immediately following Pipe Major Bob Blair will lead the audience with his bagpipe out to the flagpole where the presentation and raising of the new flag will take place. Here, as at the other flag ceremonies, Berkeley's active Spanish American War veteran, Frederic A. Baker, will make the presentation.

The public is invited to attend all of these functions.

Two Albany residents have been victims of recent thefts, police report.

## Police Report Several Accidents Here

Several accidents kept Albany police busy Thursday through Saturday.

About 11 p.m. Thursday night, Police Officer Robert Kratz started chasing a car on Stannage. The car, headed north and traveling at speeds up to 90 mph, went through two stop signs and two yield signs, before zooming into the dead-ended 400 block of Stannage.

When the driver, Jack Radosevich of El Cerrito, spotted the barricade, he tried vainly to stop, veered into a car parked in front of 411 Stannage, pushed it (with brake on and in parking gear) 89 feet on to another car, which was totalled in the driveway of its garage. Along the way, the speeding auto hit three other vehicles, damaging all.

Radosevich, police report, suffered severe injuries to legs, torso, arms and head. He was taken to Herick Hospital, later transferred to Kaiser in Oakland. His passenger, Gregory Corse of Kensington, suffered a broken arm. Their car, a '57 Pontiac, was smashed "like an accordion," police said.

Early Saturday morning two more accidents were reported. The first at 1:21 a.m. occurred when John T. Owens of San Pablo lost control of his late model car, which rammed a bridge abutment where Buchanan turns into the freeway. He suffered a fractured jaw and face cuts.

At 4 a.m., a car driven by Richard Day of Rodeo struck a parked car in the 900 block of San Pablo. In the parked car were Andrew Zichichi of Berkeley, who received extensive head injuries, and Kenneth Rooney of Albany, who underwent eye surgery for severe injuries. Day was treated for cuts and abrasions.

At about 8 p.m. Saturday, William Speer of Richmond and Richard Wells of El Cerrito were involved in an accident at San Pablo and Marin. Speer was taken to Herick Hospital for treatment of head injuries.

At 9:50 p.m., Albany police assisted the Highway Patrol in clearing a three-car smashup on the Albany overpass. Mary Magness of Berkeley was taken to Herick Hospital with chest pains and a cut ear.

## Golden Gate Fields Will Have New Look March 12

Golden Gate Fields will have a "new look" when the spring thoroughbred racing season opens March 12.

A \$500,000 improvement program designed to transform Golden Gate Fields into a turf course that will rank with the finest and most beautiful in America is being rushed to completion.

The improvements are being made by the track's new owners, a group of prominent Bay Area business men, headed by Roger Lapham, Jr., as president.

The East Bay turf plant, which presents an attractive view of San Francisco Bay and Golden Gate bridge in one direction and the Berkeley hills in another, is being remodeled, refurbished and repainted inside and out, top to bottom and end to end.

"We are not overlooking the grandstand patron in our plans to increase comfort and attractiveness," said Bob Gunderson.

"The new directors of Golden Gate Fields are putting something more than cash into their new venture," said Gunderson. "They are backing it with enthusiasm and pride, and they're determined to give Northern California the best in racing that is possible."

Feature attraction of the ensuing race meeting is the Golden Jubilee running of the California Derby on April 17 for a purse of \$50,000 added.

## Albany Theatre Has Spring Housecleaning

Bill Garren, owner of Albany Theatre, is involved in spring housecleaning in preparation for Albany's big annual social event, the March of Dimes fashion show on March 18.

As his bit in uplifting and facelift Solano Avenue, Bill has repainted the outside of the theatre and marquee. The area above the marquee is a seafoam green.

Inside, the floors in the men's and women's restrooms and in the area of the snack bar have been refinished and covered with vinyl tile.

The parking lot has been restriped with wider spaces for cars, Garren said.

The Linton Business School starts classes, both day and evening, next Monday at El Cerrito Plaza, suite 513.

Persons of all ages are encouraged to investigate the opportunity offered at the school, which will have typing, shorthand, business English, office machines, spelling, filing, and office practice. A student may take all or one of these subjects.

Average time for completion of the course depends upon the student as he or she is given individual instruction.

Those who would like to know more about the school and what it can do for them are asked to call 526-1802 or go by the school and look over the facilities and types of training offered.

## Senior Parents Meet Thursday

There has been a lot of activity within the Albany High School Senior Parents Association since its last meeting and Gil Freels, general chairman, has called another meeting for all the parents Thursday, Feb. 18, at 7:45.

"Now that Golden Gate Fields has been definitely secured for the All Night Senior Party June 17, we can really move along," says Freels. The meeting will be held in Container No. 2 at the high school.

Security rules were decided upon at the last meeting, as were the charges to be made for those attending from outside the class, and he necessary insurance to cover the party has since been arranged. There is always the ever-present basic need for financing, and it is not too late for those of you who have not yet made your donation to send it to either Mr. or Mrs. A. W. Angell.

During the past two weeks the Food and Hospitality committees have met with their respective chairmen, Mrs. Max Grosz and Mrs. Bruno Ponchione, both of whom will report on their arrangements to date, as will Mr. and Mrs. E. R. Arneson, entertainment chairman.

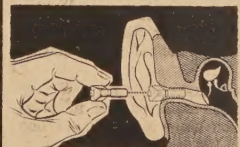

The clubhouse at Golden Gate Fields is currently being re-decorated by the new management and will be ready in plenty of time for the senior party but to this decor, Mrs. Zady Kriel, decorations chairman, and her committee, plan to add fitting bits of appropriate trim in keeping with the chosen party theme. Models of her plans were shown to those attending last meeting.

The cooperation of all senior parents is needed and you are all invited to attend this meeting and as many meetings and work groups as possible to help carry out the plans.

## PRELIMINARY GENERAL PLAN

PRELIMINARY GENERAL PLAN, ALBANY, California.

**PRELIMINARY PLAN** — Above is a line drawing of a preliminary general plan proposed for Albany by the firm of Ruth and Krushkhov, planning consultants. Certain elements of the plan, particularly waterfront development, are not what members of

the City Council had in mind. Public meetings (not hearings, which will come later) are held on the first Thursday night of each month in Council chambers at City Hall. Albany citizens are urged to attend these open discussions.

## A Look Into Albany's Future

By Neal Clarity, Manager, Albany Chamber of Commerce

The circulation system provides the means by which people and goods are moved about within the city. It includes all streets, pedestrian ways, railroads and mass transit systems. An efficient system is necessary if its vital parts are to function properly.

The land use survey conducted by Ruth and Krushkhov, planning consultants for Albany, reveals that our circulation facilities now occupy 255 acres, or 24 per cent of the total urban area. The most recent study of our city streets was compiled in 1960. This study included figures on daily traffic, projected daily traffic by 1980, deficiency review, and proposed improvements for most streets in Albany. The study estimates that \$1.9 million will be needed to provide all the required improvements and that 2.19 miles of the city's 3.91 miles of streets are deficient.

## Parking

A survey by the consultant in October, 1963, showed that there are 455 on-street parking spaces along San Pablo and the commercially developed portions of Solano. There are 288 spaces on Solano and 227 spaces on San Pablo. The survey also shows that the many curbs cut substantially reduce the number of parking spaces along both streets, especially San Pablo.

Total retail square footage now unable to satisfy its own parking requirements is approximately 170,800 square feet. Required parking for this area is estimated at 1,464 spaces, or three square feet of parking area for each square foot of retail area. The results show a need for approximately 900 parking spaces to satisfy the need of these merchants. The consultant recommends no action be taken on the parking question until the Council decides upon the larger question of revitalization of the business district.

The consultant reports there does not seem to be a significant parking space shortage in the Central District, Solano and San Pablo Avenues, if side street parking is included in the number available to shoppers. Side street parking has been estimated at 12 spaces per side street, six on either side. If these figures are included, the number of available parking spaces increases to 1,439 or only 25 spaces short of the normal requirements stated above.

However, even though this figure shows adequate parking space available, there are some conflicts caused by inconvenient distribution of spaces and inconvenient parking movements on heavily trafficked streets. These are: 1, diagonal parking; 2, "T" street intersections; 3, lack of loading space; 4, several driveway curbs; 5, the dual roles of San Pablo Avenue as a state highway and Albany's major shopping street, and 6, the mixed land uses which generate different kinds of traffic.

Safety-wise, the traffic accident map at Albany Police Department shows that most accidents have been caused by poor driving habits rather than street conditions. The largest number of accidents, 13, occurred at the San Pablo and Solano Avenues intersection.

The only major change recommended by the consultant for Albany streets are on Key Route Blvd. and Masonic Avenue. The plan proposes a widening of Masonic Avenue between the south city boundary and Solano Avenue, taking advantage of the land remaining from the installation of the Bay Area Rapid Transit line. A new underpass at the rapid transit line and Solano Avenue would allow Key Route Blvd.-Masonic Avenue, widened, to form a continuous four lane major street through upper Albany. It would join Gilman Street in Berkeley.

It is suggested that Albany recommend to the City of Berkeley a realignment of Gilman and Sacramento Streets to provide a continuous through street with the proposed Masonic Ave.-Key Route Blvd. This will create a desirable four lane north-south street from El Cerrito to Oakland.

Next week, we will report on community facilities. If you have any questions on the general plan study, you should make an effort to attend the next study session with the planner scheduled for Thursday, March 4, 8 p.m. at City Hall.

## Philippine Handcraft Displayed at Library

Colorful Philippine handcrafts loaned to the Albany Library by Louis Webb will remain on display throughout the month in response to public interest, Librarian Elizabeth Anger has announced.

Webb collected authentic artifacts of the Maranao tribe during the two years he served with the Peace Corps on the Island of Mindanao.

Brass ornaments, carved wood utensils and hand-woven garments and place mats are included in the collection. Upon his return from the Philippines, Webb, son of Catherine Webb of Albany, visited the East Coast and is now enrolled at San Francisco State college where he expects to complete his general secondary credential.

Shop at home for your own sake and community progress.

## Cyril Stevenson Outlines GOP Responsibilities

Cyril Stevenson, Jr., director of California Republican Assembly, seventh district, and president of Alameda County Republican Assembly, was installing officer and speaker at the recent installation for Albany Republican Assembly.

He reminded the group that the Republican Party is the party of responsibility and must take the lead in working for financial responsibility and responsibility in the administration of the welfare programs. It must continue to fight to retain the rights of the individual, he said.

Delegates elected to the annual Alameda County Republican assembly convention Feb. 13 at the Edgewater Inn were Bill Davis, V. M. Chester, Jim Royal, Jerome Blank, Bob Scherle and Joe Egenberger. Alternates are Mrs. Chester, Mrs. Davis, Mrs. Jim Royal and Mrs. Scherle.

New President Davis, Bill McKenna and Shirley Parr were elected permanent delegates to the County Republican Coordinating Assembly.

Four issues of current interest to be pursued were brought before the assembly by new Vice President Jerome Blank. They are 1, lack of public support for law enforcement agencies; 2, irresponsible taxation and the working man's withholding tax; 3, indiscriminate in welfare programs; and 4, recommending opposition to salary increases for UC faculty on the grounds that neither responsibility on their part in the UC demonstrations, nor financial resources on the part of the state have been demonstrated.

## Myrtle J. McLean Sets Program For Soroptimists

Myrtle J. McLean, Albany's beloved City Clerk, will be program chairman today, Feb. 17, at the luncheon meeting of Soroptimist International at Serb's Restaurant.

Mrs. McLean will introduce Parry Laird, District Superintendent of the East Bay Regional Park District. Laird, a graduate of the University of California in ornamental horticulture, has been with the Regional Park District for three years. He was formerly Superintendent of the Fulton El Camino Park District in Sacramento.

Mrs. McLean said his topic will be "East Bay Regional Parks, Past, Present and Future." Visitors are welcome to attend the noon luncheon and hear the speaker.

## Jagoda Prints Hang in Show

Two photographic prints by Albany photographer John P. Jagoda have been selected as two of the 150 prints to hang at the Museum of Science and Industry, Exposition Park, Los Angeles, through February 28.

The photos were entered in the first annual Photography West print competition, sponsored by Industrial Photographers of Southern California.

## HIGH SCHOOL PTA SETS SCHOLARSHIP LUNCHEON

The annual Albany High School PTA Scholarship Luncheon will be held in the school cafeteria Feb. 18 at 1:30 p.m. Co-chairmen Mrs. Lee Seidell and Mrs. John Thompson are completing arrangements for the affair with the help of Mrs. Victor Brandt, ticket chairman, and many PTA members who will decorate and set the tables and prepare the food. Theme for the luncheon will be centered around "Spring is Here!"

Miss Frances McKinnon, buyer for Fraser's in Berkeley, will discuss table settings and decorating for the family. She feels that while we may have company occasionally, it is important to be able to set a party table for your family. It is fun and easy, requiring more ingenuity than money, and besides, if you learn to do it everyday, when a big party comes along, it will be easier to take into stride, because you have already been practicing

with your family. This should be a delightful program and one of interest to every homemaker, Mrs. Seidell said.

Tickets are \$1.25 and may be purchased from Mrs. Brandt prior to that date, or at the door the day of the luncheon. Party salads and accompaniments, cake, and coffee will be served. Ticket money is used entirely for the Scholarship Fund. Each year the PTA gives at least two and sometimes as many as six scholarships, depending on how much money they can raise from the Scholarship Luncheon and their benefit, to deserving Albany High School graduating seniors. The cause is a good one and deserves support.

## Cindy Hawkins Observes Ninth Birthday

Cindy Hawkins celebrated her ninth birthday Jan. 23 at the home of her parents, Mr. and Mrs. Cliff Hawkins.

The party theme was white kittens and her cake was shaped like one. Seventeen guests joined Cindy at the movies and for refreshments.

Her brother, Todd, celebrated his second birthday at a small family gathering in January. Grandparents of the children are the A. Bonos of Albany. He was one of the first independent grocers on Solano Avenue many years ago.
